

## **CGFM Study Group Meet on July 21, 2010**

We are pleased to announce that the first CGFM study group meeting is scheduled on July 21, 2010. In this meeting we will discuss the benefits of being a CGFM and how CGFM certification can elevate your career. This session will specifically focus on the CGFM examination for book 1 – Governmental Environment. If you already ordered the book, please bring it with you. If not, we will guide you through the whole CGFM application process. For those members that currently hold the CGFM certification, this event will provide a great opportunity to network with other members and share in your experience.

The meeting will be held in Los Angeles City Hall, 200 N Spring St, Room 202 on July 21, 2010, from 11:30 am to 12:30 pm. If you need further information regarding this meeting, please contact Tiffany Liaw at 213-978-1742 or [tiffany.liaw@lacity.org](mailto:tiffany.liaw@lacity.org).
