

ATTEND AND EARN 1 HOUR OF CPE CREDIT

Topic: Are tight budgets hurting internal Controls?

- Increase awareness of risks associated with tight budget.
- Better understanding of internal controls.

When: August 18, 2011

Time: 11:30am – 12:30pm

Where: LA City Hall Main
200 North Spring Street, Room 1025
Los Angeles, CA 90012

Guest Speaker: [Mr. Eric Berman, CPA](#)
Consultant – Partner, Brown Armstrong Accountancy Corporation

Budgets are being cut by all levels of government, forcing rapid changes in government operations. In the rush to change, are government managers compromising internal controls or are they adopting new techniques to maintain controls at an acceptable level? Hear from expert government auditors who share their experiences and observations concerning trends in the area of internal controls.
